APRIL GORNIK

NEW YORK, NEW YORK – MILES McENERY GALLERY is pleased to announce its representation of April Gornik.

April Gornik's masterfully rendered paintings depict radiant and atmospheric scenes of the land, sea, and sky. Working in oil paint, Gornik captures the subtle nature of light with its capacity to simultaneously illuminate and obscure. By combining the literal with the imagined, her paintings possess an intimate, ethereal quality that invites personal contemplation by the viewer.

As Gornik expresses, "I am an artist that values, above all, the ability of art to move me emotionally and psychically. I make art that makes me question, that derives its power from being vulnerable to interpretation, that is intuitive, that is beautiful."
