How To Give It... to the humanitarian effort in Ukraine

Charities providing aid - and the fundraisers supporting them

By Rosanna Dodds | 3 March 2022

Erin Lawlor's abstract canvas in the colours of the Ukrainian flag.

Sunflower of Peace

Boston-based Sunflower of Peace has been supporting Ukrainian paramedics and doctors by distributing first-aid backpacks, medicine and medical instruments. In the UK, London-based painter Erin Lawlor has created a swirling abstract canvas (£3,000) to be sold on 9 March, all proceeds from which will benefit the charity.
